[REDACTED] I hope we don't have to tussle over the 33 ft extension of the wall. Tom and Ron and I are against it. Need you there too or - another mayoral privilege vote- I really don't think it is necessary for the harbor. Would like to streamline the interior facilities some to save room. We need the money for uplands beautification. Brad says we can do that.

Sir,

Based on last night's meeting as well as several other encounters (documented) I believe Assemble members Morphet and Lende require direction regarding requesting HBPD to provide the blotter. As defined in Haines Borough Code Chapter 2.06 Code of Ethics - 2.06.030 Misuse of Official Position – subsection B(5) *Attempt to affect a personal or financial interest through coercion of a subordinate*. This matter has already been addressed by Borough Legal Counsel (see attached document), further Assemble member Morphet has addressed this same conflict of interest in his Blog <http://www.tommorphet.com/assembly-issues/why-the-police-blotter-is-important/>. Although Assemble member Lende has no financial interest she is affiliated with both CVN and KHNS and has interests in the welfare of these organizations.

Although not opposed to providing the blotter with appropriate resources, I am not in the same position to dialogue with the public and the Haines Borough as an elected official; not to mention ones with access to media resources. Therefore the repeated mention of the topic without appropriate dialogue leads me to this concern. I appreciate your time and attention to this matter.
